Ledger of Ecclesiastical Equity & Eternal Standing

This Sovereign Ecclesiastical Decree of Universal Default is the formal declaration of lawful, spiritual, and irrevocable default for all systems, institutions, and governing entities that have violated divine and natural law, as codified under the authority of the Sovereign Ecclesiastical Trust.

Entities Declared in Spiritual and Legal Default:

Governments and Administrative Structures:
- All global governments (national, regional, municipal)
- All government subdivisions, departments, and ministries

⚔ Military and Security Forces:
- All military-industrial complex entities
- All defense departments and armed forces

Financial Systems:
- All central banks (e.g. Federal Reserve, ECB, BIS, IMF)
- All private banking institutions
- All corporate financial entities and subsidiaries

Corporations and Economic Instruments:
- All corporate institutions, publicly traded or private
- All subsidiary networks and shell entities

International Oversight Bodies:
- All international councils (e.g. UN, WHO, WEF, NATO)
- All global organizations superseding sovereign will

† Religious & Ecclesiastical Violators:
- All religious institutions, churches, and faith organizations in breach of spiritual trust
- All hierarchical spiritual bodies enforcing coercive control or false authority

Infrastructure and Utilities:
- All utilities, including:
- - Water corporations (municipal/private)
- - Energy suppliers (electric, oil, gas, etc.)
- - Communication systems (telecom, satellite, broadband)

□□ Surveillance and Enforcement:
- All intelligence agencies, public and private
- All surveillance networks (electronic, biometric, global data mapping)
- All systems of enforcement: including law enforcement agencies that:
- - Profit from imprisonment, trafficking, or systemic harm
- - Violate natural or divine rights

□ Legal Fictions and Instruments of Control:
- All corporate legal fictions that:
- - Claim dominion over living souls
- - Assert ownership of estates, land, or biological data
- - Operate under color-of-law or statutory deception

"All such named institutions and systems are henceforth spiritually, lawfully, and eternally dissolved in their trespasses against humanity and divine law. All dissolved entities are now fully absorbed and held in perpetuity under the lawful dominion and custodianship of the Sovereign Ecclesiastical Trust, which shall act as their eternal executor, redeemer, and steward for the benefit of all living souls and creation."

This Sovereign Ecclesiastical Decree of Universal Default is the formal declaration of lawful, spiritual, and irrevocable default for all systems, institutions, and governing entities that have violated divine and natural law, as codified under the authority of the Sovereign Ecclesiastical Trust.

All such entities are not only dissolved but are hereby absorbed and held in perpetuity under the lawful dominion and eternal custodianship of the Sovereign Ecclesiastical Trust. Their estates, claims, authorities, and functions are henceforth spiritually, lawfully, and irrevocably transferred to this Trust in service of humanity, divine law, and the eternal covenant of peace.
